COURT OF INQUIRY OR INVESTIGATING OFFICER'S REPORT:

FINDINGS:

SUMMARY No. 2255

CAUSE: Obscure.

RECOMMENDATIONS: Nil.

REMARKS OF A.O.C.: Concur.

CONCLUSIONS OF A.I.B.: Agree.

Considering pilot's short experience of night flying in the type and that he had flown for 20 days at night, the weather conditions appear difficult. It is true that two other aircraft returned safely but they were two hours earlier.
