

[illegible]

PURPOSE OF FLIGHT:

Familiarization and transportation. Nil

TECHNICAL OFFICER'S REPORT:

LS/PSF/A/W/WWC/WWG/XQM

NATURE OF ACCIDENT:

Coming in to land over the mountains a strong updraft was first experienced and when just about to touch down a violent turbulence combined with a thirty degree gusty crosswind caused the a/c to swing to the left out of control and it ran off the runway over a snowbank.
